Weston Forest requalifies as one of Canada's Best Managed Companies

Mississauga, Ontario – March 10, 2016

Weston Forest, a Mississauga, Ontario based remanufacturer, wholesaler, and distributor of forest products, was a winner of Canada's Best Managed Companies program for 2014, and is pleased to announce it has maintained its status for 2015.

This prestigious award recognizes Canadian companies that demonstrate world class business practices, who are innovative, and who create value and opportunities for customers, suppliers and staff. Sponsored by Deloitte, CIBC, National Post, Queen's School of Business and MacKay CEO Forums, the program attracts hundreds of applicants, that all demonstrate a culture of excellence and innovation.

"We are very pleased with this recognition," stated newly appointed Weston President Steve Rhone. "Receiving this award validates both our strategies and our culture, and we look forward to maintaining this prestigious designation in the years to come. I would like to give my heartfelt thanks to our entire team, as they are the ones who truly make us a great company."

Weston Forest is one of North America's leading full service distributors and remanufacturers of softwood & hardwood lumber and specialty panel products. Weston operates two distribution and remanufacturing facilities in the Greater Toronto Area, has offices in Nova Scotia, Ohio and Manitoba, and uses several distribution and remanufacturing facilities in Quebec, Ontario, Michigan, New York, and Maryland.
