**Weston Forest Products Inc. announces new US Trading Group
Mississauga, Ontario (June 16, 2014)**

Rick Ekstein, President and Chief Executive Officer, announced today that Jared Carroll is joining Weston Forest as Manager- US Trading Group.

“We have known Jared for a very long time, and we are excited that he is leading this new business unit for us,” said Ekstein. “We truly believe that adding Jared to our team will bring tremendous value to our existing customer and supplier base.”

Jared will be reporting to Rob Hruby, Weston’s Vice President - Purchasing.

Weston Forest Products is the largest distributor of forest products to the crating and packaging industry in Canada, as well as one of the premier suppliers to Canada’s growing infrastructure sector, and several other niche markets.
